

International Concrete Repair Institute Scholarship Program

The Program

The International Concrete Repair Institute (ICRI) has established a scholarship program to assist qualified applicants who plan to pursue post-secondary education in undergraduate college, university and vocational programs, directly related to a curriculum of study in concrete, concrete repair, architectural and engineering studies (structural and civil).

Eligibility

Applicants to the ICRI Scholarship Program must be:

- Students who have completed one year of undergraduate study and who are already enrolled in a full-time undergraduate course of study in concrete, concrete repair, engineering, (civil or structural) architecture or construction management at an accredited two-or-four year college, university, or vocational-technical school.

Scholarship Awards

Up to \$5,000.00 will be awarded each year, at the discretion of ICRI, depending upon the number of qualified applicants. Awards are not renewable; however, students may reapply for the program each year they meet the eligibility requirements. If an applicant is awarded over \$1,000, it will be split between two consecutive semesters with the requirement that they submit a transcript after the first semester in order to get the second half of the money. In conjunction with the scholarship award, recipients will also be offered a free one-year student membership in ICRI.

Application

Interested students must complete the attached application and mail it along with a current official transcript of grades to ICRI postmarked no later than Friday March 2, 2012. Applicants are responsible for gathering and submitting all necessary information. Applications are evaluated on the information supplied; therefore, it is important to answer all questions as completely as possible. All information received is considered confidential and is reviewed only by ICRI.

Selection of Recipients

Scholarship recipients are selected on the basis of academic record, leadership and participation in school and community activities, work experience, a statement of educational and career goals, and an applicant appraisal. Selection of recipients is made by ICRI. Applicants will be notified by April 30th, 2012 whether or not they have been selected to receive an award.

Payment of Scholarships

ICRI will contact recipients to set up payment of scholarship awards.

Obligations

Recipients have no obligation to ICRI. They are, however, required to supply ICRI with current year transcripts and to notify ICRI of any changes of address, school enrollment or other relevant information. At the discretion of ICRI, recipients may have the opportunity to attend an ICRI convention following award of the scholarship, with certain expenses paid by ICRI. A short presentation to the Board or general membership may be required (if travel support is provided). Except as described in this brochure, no obligation is assumed by ICRI.

Revisions

ICRI reserves the right to review the conditions and procedures of this scholarship program and to make changes at any time including termination of the program. Previously approved scholarships will not be affected by subsequent changes to the program.

Additional Information

Questions regarding the scholarship program should be addressed to:

International Concrete Repair Institute Scholarship Program

10600 West Higgins Road, Suite 607

Rosemont, IL 60018

tel: 847-827-0830 fax: 847-827-0832

TYPE OR PRINT ALL INFORMATION EXCEPT FOR SIGNATURES If space provided in any section proves inadequate, information may be continued on additional sheets of paper and attached to the application.

Application postmark deadline: March 2, 2012

Applicant Data

Name:

Last _____ First _____ Middle Initial _____

Permanent Mailing Address:

Number _____ Street _____ Apt # _____

City _____ State _____ Zip _____

Date of Birth

Month _____ Day _____ Year _____

Phone (_____) _____ Cell (_____) _____ Email Address _____

Post- Secondary School Data

Name of post-secondary school you currently attend or plan to attend in the future.

Current: _____ City _____ State _____ A B C D

Future: _____ City _____ State _____ A B C D

- A. 4-year College or University
- B. 2-year Community or Junior College
- C. Vocational-Technical School
- D. Other, Explain

Year in post-secondary program next school year:

2 3 4 5

Major or course of study _____ Anticipated date of graduation _____

Work Experience and Internships

Describe your work experience during the past four years. Indicate dates of employment in each job and approximate number of hours worked each week. List amounts earned at each job. If the work experience is an unpaid internship, write "internship" in the "Amount Earned " column.

Company/Position	Dates From-Mo/Yr - To-Mo/Yr	Hours Per Week	Amount Earned
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____
