

PEOPLE ON THE MOVE

Howard M. Kanare

KOSTER is proud to announce the appointment of **Howard M. Kanare** as President effective October 1, 2016. Mr. Kanare will be responsible for the overall leadership of the company

including strategic planning, product development, operations, sales, and marketing.

Named by *Concrete Construction Magazine* as one of the “Top Ten Most Influential People in the Concrete Industry,” Mr. Kanare joined KOSTER in 2013 as Technical Director and was promoted to Vice-President in 2015. He has been responsible for developing KOSTER’s Technical Department, implemented the Quality Control system for KOSTER’s new resin production plant, established state-of-the-art analytical evaluation lab and training facility, and coordinated product develop-

ment with KOSTER BAUCHEMIE in Aurich, Germany.

With 37 years’ experience in the concrete construction field, he is a nationally-recognized expert specializing in the interaction of concrete floors and floor covering systems. He is known for making advancements in the characterization of cement and concrete, floor construction, floor covering systems, moisture measurement, and concrete moisture issues.
