

Nomination for Fellow of the International Concrete Repair Institute

INFORMATION COLLECTION FORM

Nominations MUST be submitted through the online form at <https://www.icri.org/awards/icri-fellows/> and are due no later than September 1, 2024.

Please use this form to collect information from your candidate to input into the online nomination. Please email Dale Regnier at daler@icri.org or call ICRI at (651) 366-6095 with questions.

Qualification Requirements: Outstanding contribution to the concrete repair industry in the areas of education, research, development, design, construction, or management. Nominee must have a minimum of five (5) years active membership in ICRI.

Sponsors: Nominees for ICRI Fellow may be proposed by (a) any group of five ICRI members, (b) any ICRI Chapter, or (c) the Fellows Committee.

General Information: The following describes the process used to identify, nominate and approve ICRI Fellows.

- Identify if there are any nominations pending from previous Fellow Committee Meetings.
- Identify any new potential candidates at the virtual or in-person Fellows Committee Meetings by June 1.
- Fellows Committee members discuss the initial merits on each identified candidate.
 - NOTE: A Fellow must be involved in identifying potential candidates.
 - Local chapters and individuals are to reach out to a Fellow as identified on ICRI's website to solicit their support to present the candidate to the Fellows Committee.
- Once the candidate has been identified to move forward, any Fellow will start the process by completing the requested information portion on the application (Items 1 through 8).
 - NOTE: an ICRI Fellow must submit the nomination through the online form.
- It is the nominating Fellow's responsibility to write up a nomination summary on why this candidate is qualified to become an ICRI Fellow.
- The nominator/nominating group should have the information for their candidate, including education, employment (resume/CV), ICRI activities, professional society activities, presentations and publications, industry awards and other industry contributions.
- The nominator/nominating group must submit a minimum of 5 sponsors/references. It is required to have a current ICRI Fellow as a sponsor/reference. The remaining sponsors/references must be current ICRI members and can be affiliated with ICRI Chapters as officers or members.
- The ICRI Fellow will upload the score sheet (separate document) for the nomination and enter the score in the online nomination form.
- Once the nomination has been submitted by the nominating Fellow, ICRI staff will complete an online application on behalf of the nominee and enter the sponsors/references.
 - The sponsors/references will be contacted automatically by email to review the application and provide approval.
- The scored applications will be forwarded to the Fellows Committee Chair.
- Committee Chair to gather the candidate(s) nomination/application information to share with the committee.
- Committee Chair will forward the candidate(s) nomination/application information to the voting committee members for their review and consideration.
- Committee Chair will schedule a meeting with the voting members.
- Committee to discuss and vote on which candidates will be forwarded to Dale Regnier (ICRI Administration Group) to prepare documents and plaque for their induction to ICRI Fellow.
 - NOTE: All Fellows are encouraged to attend the meeting and provide commentary, but ONLY VOTING MEMBERS will formally be accounted in the vote tally for each candidate.
- New ICRI Fellows will be formally inducted and introduced to the membership at the ICRI Spring Convention.

Nomination for Fellow of the International Concrete Repair Institute
